

Cap

BAND STORY

"

The Person Cap is a songwriter, record producer, engineer, multi-instrumentalist, arranger, performing artist, studio musician and author. Only after beginning to understand the business did he realize no one was coming looking for him. So therefore he must create his on movement, not to get signed but to be the person he was born to be a true artist. The warm energy that he has developed over the years pulls you in like a magnet The Experience Cap has been writing and producing music in home and professional studios for more than twelve years humbly beginning with a four track cassette recorder then pro tools software. Currently, Cap runs his own studio and production company, produces and engineer and writes and records his own music for artistic and commercial distribution. He plays lead guitar and bass for studio projects and live performances
