E.L.M. Records proudly present national recording artist Dylan Drake

Dylan Drakes first national radio single "Girls" has recently went out to national radio in the USA. Dylan Drakes style of music is quit often reffered to as Redneck Honkytonk music. Which Drake says is fine with him. Drake says I am what I am.

In a world of imatations comes a artist who has lived what he sings. Dylan has a amazing catalog of over 1000 songs that Dylan wrote and composed. Dylan has toured the southeastern USA as lead man for such bands as Crazy 8s, Road Dawgz & Lowdown. Either you will love Dylan Drakes style or you'll hate it. If your' into pop country then Dylan probably is'nt for you.. But if you like your country music with attitude then you'll love Dylan Drake.

Dylan will be in the recording studio with producer Ralph Ezell of (Shenandoah) in May 2007 to cut his next single "The Redneck Way"
