## Green Apple Music Festival!

Chicago will celebrate Earth Day along with the rest of the country on April 22, but in actuality the celebration starts much earlier, thanks to the Green Apple Music Festival. Enjoy four days of concerts around the city, starting with the Decemberists at the Riviera on April 19 and ending with a full day of music at the Lincoln Park Zoo on April 22 featuring Umphrey's McGee and the Disco Biscuits. For a full listing of participating artists and venues, plus concert times and ticket prices, check out the website.
