

KeyDragon Piano Pieces

BAND STORY

"Ron Langford has been studying and playing the piano for over 20 years. He has studied the classical era, modern classical (contemporary) and alternative forms of classical piano artistry. He has had a wide range of instruction from blues, rock, classical - to new age, alternative, and progressive. He went to college as a piano major but ended up with a B.A. in Psychology and a M.S. in Special Education. Currently, Ron works as a 6-8th grade SDC teacher in California. He plays in recitals and holds concerts around California. Ron Langford tends to write new music but will carry a few favorites within his repertoire. He is currently working on a third album of classical, solo piano pieces in Grass Valley, California."
