BAND STORY

""If God can, take me from a small town in Uganda, Africa, and bless me with writing and singing these songs, you can only imagine what a blessing God can be in your life."

- Paul Lule

My ten year-old niece, Seara, asked me to write a song about going to heaven. A song she can perform with her friends. With the Holy Spirit's inspiration, "Going All The Way To Heaven" was born. We added a sound track you can download and a lyric sheet for anyone who wants to perform the song.
