### Press Release

Red Red i

Formed in 2000, Red i are Win –Vocals and guitar, Dan – drums and vocals, Carl –Rhythm guitar and Sean –Bass.

Win and Dan were originally in a band called Carrera but after a while things were just not progressing as they should and the band split. Win and Dan decided to try and create another band and asked his mate Carl to jam with them –he did and the band started to take shape. They played several gigs using bass lines on backing tapes for bass lines but were not impressed with that. Their fortunes soon changed when Carl started dating a girl whose brother could play bass (or would learn to play) Sean was the business and was in the band within 5 minutes of listening to him.

Graham Winteridge (aka Win –which he prefers)  
Singer/guitarist

Win was born in Exeter, Devon and now lives in Exmouth, Devon. Win grew up in entertainment; having a Dad as a ventriloquist and a brother as a comedy impressionist (he is actually quite funny). He thinks this has something to do with why he loves music and performing, however cabaret and showbiz is not his style. A former professional footballer who now prefers watching his beloved Liverpool, Win enjoys doing nearly everything from surfing, driving very fast cars and too much more to mention. The thing that makes him most happy is playing in his band with his best mates, Dan, Carl and Sean who have become part of his family.

Carl Haggerty –Guitarist

Carl was born and raised in Exeter, Devon and loves body boarding and volleyball. He is self taught on the guitar and dabbles with poetry having 4 poems published. He has travelled to the USA, Mexico, Peru, Morocco and more recently toured France and Ireland for 2 months with his wife on their honeymoon in there beloved 1972 VW campervan. Red i is his extended family, Sean is his brother-in-law and he has known Danny and Win nearly all his life.

Dan Salter - Drummer

Dan was born and grew up in Exeter, Devon, loving the southwest and has spent most of his time on the north coast, surfing and taking the occasional holiday to Austria to rip up the snow.

Dan, A self taught percussionist has done many performances at African drum workshops, and is a member of the Exeter Street Heat Samba Band. Dan can also be seen stirring up the crowds at his local nightclub the Cavern, where he is a reggae MC. Dan as well as liking dance music and reggae has played in many guitar based bands but nothing like Red i.

Red i is what I have been waiting for a long time and it's great that all the members are my greatest friends" you better believe it baby.....And Eye Spy are all his future ex wives.....

Sean Bennellick –Bassist

Sean was born and has lived his life in Exeter. He enjoys surfing and travelling which inspires him to play music. He listens to a wide range a music ranging from reggae, dance and heavy metal. He joined the band when he went to his sister's engagement party, where the other 3 guys were playing; Carl was to be his future brother-in-law. He jammed with them once and then Red i was formed. The guys have now all become very close friends. He plays the guitar and
