

SOLOMEN

BAND STORY

"

Solomen was born in Baltimore Maryland, he had a group called Supreme Court Band and singers around the late 80's. Solomen plays all the instruments in his songs and produced all the materials. There are R&B, religious, Rap and all types of music he creates. I'm a songwriter and established BMI associate. I am working with songcastmusic.com to assist me with distribution. Solomen continues to write so stay posted to my site and you may find something you like. I have at this time songs on Itunes, amazonMP3, emusic, napster and many more around the world. My website is free of any virus and I am also protected by Norton 360. I would like people to have a different kind of music songs that are very passionate uplifting and inspirational I hope you all will enjoy my music and perhaps buy something you like. Finally, I would like to wish everyone a Blessed Day may God be with you!!!
