

## Shahlin AKA K-Dizzle

### BAND STORY

"Shahlin AKA K Dizzle First has been incubating for quite a while now and it's been worth the wait. The Album "Say Things" has it all: the smooth hip-hop/R&B grooves along with the Caribbean Flavor, the hyped up kicks and snares with added accents of orchestral backings. Shahlin was born and raised on the beautiful Island of Trinidad & Tobago. He started singing publicly at age 9 in his school choir and then singing solo at age 10. But what really fascinated him was the "Dancehall" music that he would hear on his way to and from school. At age 16 he came to the United States in 1988 with his immediate family Mom, Dad, 2 brothers and sister.. At age 18-21 he participated in church activities, played the keyboard and recorded his first single "Rebel". At age 22 Shahlin's voice was now being recognized by his freinds and local producers alike. He is now ready to hit up the dancehall/Hip-Hop scene with his hot new album "SAY THINGS" with songs like Guns and Wars, Fear Dis, Jack dah Rippah and many more. Stay tuned for information on show times for Shahlin. "
