

MusicRush EPK:

## The Rusty Nails

### BAND STORY

"The Rusty Nails have returned with their 4th full-length (and 5th release) entitled " The New Colony." The bagpipe-guitar-drums-piano-ebow-experimenta rock-derived miscellany continues in a more futuristic setting without forgetting where they came from. For more information about history, other releases, philosophies, etc : [www.therustynails.net](http://www.therustynails.net) "
