

## Trudog (Homo Rapper)

### BAND STORY

"

Trudog is back on the scene with his first full length CD "Booty Ain' t Got No Face". His new joint, which offers up-tempo hip-hop grooves, well crafted stories and zany hooks, could easily be the party CD of the year.

Trudog admits, "It took me three years to produce this CD because I wanted to take time out to develop as an artist. I didn' t want to release yet another rap CD laced with profanity. I wanted to deliver humorous universal stories with some depth. I also had specific people I wanted to work with, who are at the top of the underground music scene, and I wanted to make sure they could all participate, despite their busy schedules."

Those involved with "Booty Ain' t Got No Face" reads like a who' s who of the new underground: R&B crooner John-Martin Green, jazz musicians Ivan Ramirez and Sean Whitley, rappers Rapzilla and Record Deal of the duo "Cracked Out", rock guitarist Ian C. Bouras and Trudog' s backup singers "The Jilted Bridez".

Plus appearances by \*\*\*\* porn legend Bobby Blake and drag sensation Hermonica Sunbeam.
