Who is b-side records?

b-side is an independent label based in Raglan, on the west coast of the North Island of Aotearoa New Zealand, deep in the south of the Pacific Ocean.

We make straight-up twisted psychedelic electro-soul trip-hop and hard hitting ambient lo-fi dub. We make hi-tech trouble out of lo-tech meat and good water out of bad wine.

Some of our music is instrumental and speaks for itself, other tracks feature some of the finest vocal talent in Aotearoa, notably the sensational Miss La (50hz, Tubbs, Nufin-Yin) and exciting up-and-comers Jinja Jamboo & Cocoa Electro.
