BAND STORY

"

Biography: From winning the 2005 UK Song contest dance category to collaborating on hugely successful releases with top hardcore producers IN EFFECT, GAMMER, SPENNO and SYTRONIK Mark's songwriting and production talents have gone from strength to strength. Further recognition with BILLBOARD and other song contests helped to secure several publishing deals in Los Angeles and London.

In order to realise his full potential Mark turned his attention on a solo career as an artist and producer in early 2010. In his quest for success and musical freedom his frustration led to fruition and his outstanding debut album LET THE MUSIC TALK was born.

Press Release: LET THE MUSIC TALK - outstanding debut digital album from up and coming artist and producer MARK BLUE.

A must have electro pop sensation available now from itunes and other good download stores.

Scotland has always been at the fore front of new music and Mark Blue is no exception. Captivating his audience right from the start with the infectious and highly addictive pop/dance track LOVE AND UNDERSTANDING this highly acclaimed debut album has everything the electro pop lover could ever want.

Sit back, relax and let the outstanding vocals of featured artists ALI and TONI LEO take your senses to another
